

We create better shipping outcomes.

Manage your shipping process with accuracy and control at averittconnect.mycarriertms.com

Averitt Connect IS NO COST* TO SHIPPERS

Averitt Connect is a no cost, shipment management platform made for LTL shippers with carrier-direct pricing.

Common problems you may face today:

Quoting from multiple websites, lack of carrier shipment status, printing, saving quotes, etc.

We are the **only shipping management platform** using direct API connections to drive process efficiencies for improved profitability.

SHIPPER BENEFITS

- ✓ Eliminate the need to use multiple websites for quotes
- ✓ Save time: remove the need to call carriers for updates
- ✓ Easily set automatic customer update notifications
- ✓ Stay organized: fully digital shipment documentation

CARRIER BENEFITS

- ✓ Reduce inbound calls for shipment status and updates
- ✓ Eliminate manual paperwork entry into carrier systems
- ✓ Improved rating & billing accuracy
- ✓ Improved ROI with KPI analysis & reporting per customer
- ✓ Visibility of all shipment details at point-of-dispatch

WHY CHOOSE US?

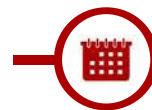

No other LTL technology does what we do. We save carriers between \$2.00 to \$5.00 per transaction creating efficiencies everywhere such as improved tracking, quoting, dispatching, imaging, and ebill of lading to name a few.

OUR TECHNOLOGY

RATE

Quote all your preferred LTL carriers and negotiated rates in one place.

BOOK
