

Loadsure Claims

Seamless claims filing for LTL shippers

Streamline Your Loadsure Claims Process on MyCarrier

Loadsure Claims streamlines the claims filing process for LTL shippers, enabling them to file, manage, and track the status of Loadsure claims directly in the MyCarrier platform.

Remove the hassle of navigating multiple websites to file and track claims. With everything in MyCarrier, you can spend less time handling claims and more time where it counts.

Why use Loadsure Claims?

Quickly File Claims

Use the Loadsure Claims form to quickly and easily submit a claim without leaving MyCarrier.

Centralized Updates

Monitor and manage all of your Loadsure claims in one place using the Claims Dashboard.

Stay Informed

Updates flow back and forth into your Claims Dashboard to keep you informed on the claim status, from filing to payment outcome.
